RE: Municipal Services – Casino Oklahoma

Dear President Dotson and Chairwoman Allen:

As you may recall, the Town of Hinton presented the Delaware Nation and Lenape Entertainment with a proposed renewal of the Memorandum of Understanding, originally executed in 2018, for approval more than a year ago. The Delaware Nation and Lenape declined to renew the agreement, advising that the Executive Committee and Lenape Entertainment had determined “that renewal or issuance of an updated Memorandum of Understanding is an unnecessary endeavor.”

The Town of Hinton’s policies prohibit the provision of municipal services to properties outside municipal boundaries in the absence of a written agreement for the same. Given that the Delaware Nation and Lenape Entertainment have declined to enter into such an agreement, the Town of Hinton will discontinue all municipal services, including water and sewer services, to the Casino Oklahoma property at 12:00 a.m. on August 1, 2025.

Please feel free to contact Shanon Pack, Town Administrator, should you wish to discuss this matter.

Sincerely,

Board of Trustees, Town of Hinton

Casey McLoud, Vice Mayor
